

- Get out a sheet of paper and something to write with.
- Number the paper 1 – 10, leaving space between each one.
- For each scenario, explain in writing how you would respond in each situation and WHY.
- Do not discuss your answer with anyone around you.
- Do not say out loud what you would do.
- We will discuss each scenario at the end.

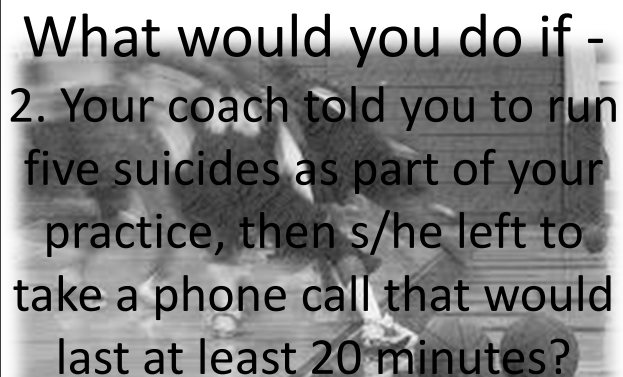

What would you do if -

1. You found a wallet/purse with money in it that belonged to a person you hated?

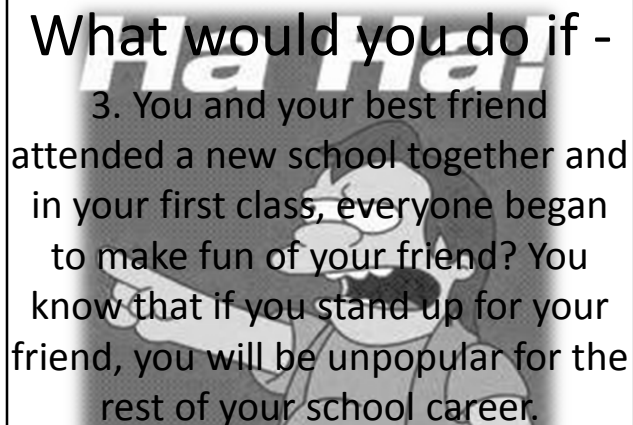

What would you do if -

2. Your coach told you to run five suicides as part of your practice, then s/he left to take a phone call that would last at least 20 minutes?

What would you do if -

3. You and your best friend attended a new school together and in your first class, everyone began to make fun of your friend? You know that if you stand up for your friend, you will be unpopular for the rest of your school career.

What would you do if -

4. You went to the school store to buy a snack, the student running the store handed you a bag of chips, took your money, then handed you another bag of chips, forgetting s/he already gave you the first one?

What would you do if -

5. Your parents wouldn't let you go out with your friends Friday night because you had a major paper due on Monday that you needed to get done. Unexpectedly, they received an urgent phone call and had to leave. They told you they wouldn't be back until the next morning.

What would you do if -

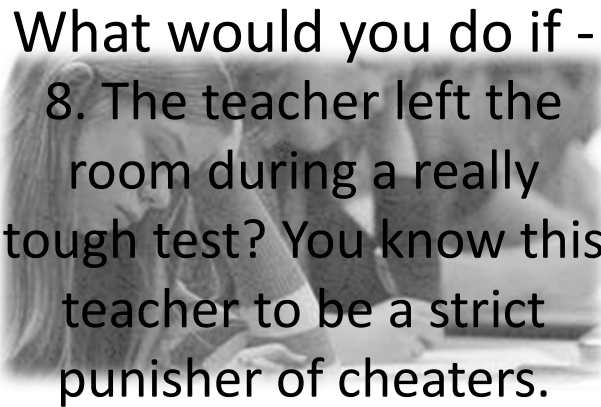

6. You paid for a purchase at the store and the cashier handed you back too much change?

- A few cents
- Five Dollars
- Fifteen Dollars
- Fifty Dollars

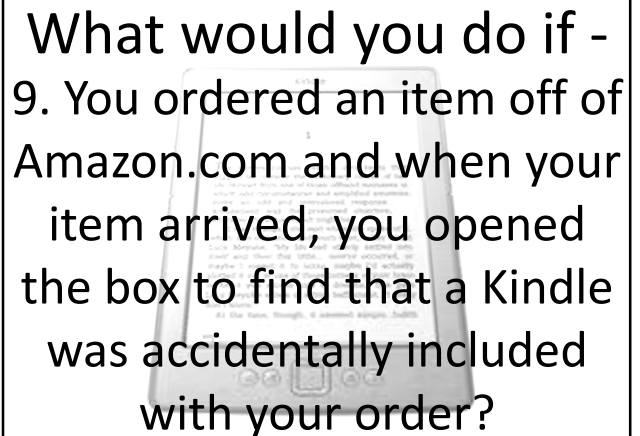

What would you do if -

7. A friend or relative committed a serious crime and was running from the law and they came to you looking for a place to hide?

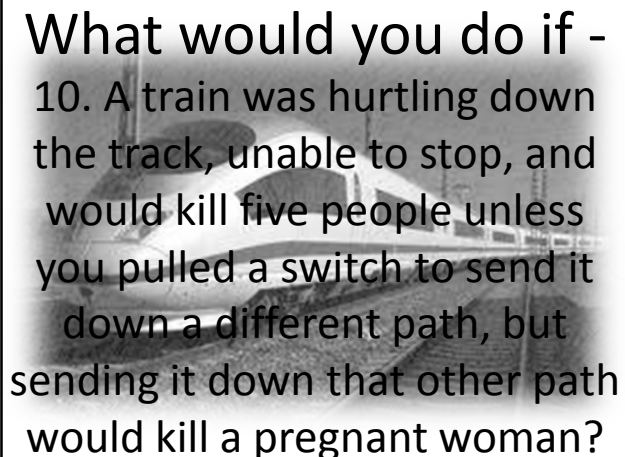

What would you do if -
 8. The teacher left the room during a really tough test? You know this teacher to be a strict punisher of cheaters.

 A black and white photograph showing a student with long hair looking down at a desk, possibly cheating, with another person's hand visible near them.

What would you do if -
 9. You ordered an item off of Amazon.com and when your item arrived, you opened the box to find that a Kindle was accidentally included with your order?

 A black and white photograph of an Amazon Kindle e-reader device, showing its screen and physical buttons.

What would you do if -
 10. A train was hurtling down the track, unable to stop, and would kill five people unless you pulled a switch to send it down a different path, but sending it down that other path would kill a pregnant woman?

 A black and white photograph of a train moving along tracks, with a person visible in the foreground near the tracks.
